According to our news sources from Iran, in Malek-Shahr in Isfahan, following the incident of the arrests of several Christians on Sunday night, July 17, 2008, at a house-church gathering whose members had gathered together to worship the Lord, Mr. Abbas Amiri, who had made his home available for the believers of the town to gather and to worship the Lord together, was attacked and beaten up plain clothes security officers.

Unfortunately, our brother, due to his old age and the extent of his injuries, died at 4:30 pm on Wednesday, July 30, 2008, at a hospital in the city of Isfahan, and went to be with His Lord.

Based on reports, plain clothes security officers, after attacking and entering the house of Martyr Amiri, became even more furious when they discovered that this man, who had been hosting house-church meeting at his house, had visited the Muslim holy city of Mecca and had become a ranking and honored "pilgrim" or "Haji" when he was a practicing Muslim. Also, he, who had also fought in the Iran-Iraq war as a devoted fighter, had now become a Christian and was organizing and conducting gospel meetings at his home.

The Amiri family and his sons, buried this honorable martyr of the Lord’s at his birthplace of Masjid-Soleiman on Thursday, July 31, 2008. According to our news crew from Masjid-Soleiman, after the assault of plain clothes security officers in the city of “Malek-Shahr” which resulted in the martyrdom Mr. “Abbad Amiri”, sister of the martyr was killed in a shootout. After the death of this sister, which took place at 2:00 am, a team of male and female security officers, all in plain clothes, began to guard and keep the home of the family under surveillance.

Some of these officers, upon entering the home of the Amiri family, ordered the relatives of those loved ones that they had no permission to conduct any kind of memorial or funeral services for sister Rahnama and they had to immediately leave the city. This conversation caused the son of the martyr Amiri to raise his voice and begin to scream at them until several security officers attacked him and began to beat him up with their fists and stop on him. Our Christiam friends from Masjed-Soleiman family, after a memorial prayer on Monday, August 4, 2008, next to her beloved husband with family and friends in attendance.

Accused of being an infidel and worthy of death, Security officers, having repeatedly insulted her and accused of becoming an Armenian, threatened her to leave town after the burial of her husband.

According to information obtained by Farsi Christian New Network and sources from the city of "Masjid-Soleiman", after the assault of plain clothes security officers in the city of "Malek-Shahr" which resulted in the martyrdom of one of the leaders of the house-church movements, Mr. "Abbad Amiri", sister "Sakineh Rahnama", the wife of Martyr Amiri, who was also physically assaulted by security officers and the painful stress of separation from her husband, died on Sunday, August 3, 2008, in the city of Masjid-Sleiman. FCNN reports that after the death of this sister, which took place at 2:00 am, a team of male and female security officers, all in plain clothes, began to guard and keep the home of the family under surveillance.
